2.) N/A

3.) Minutes of 3/12/20 accepted.

4.) N/A

5.) a.) Largest COVID-19 impacts to SFM are to the opening of businesses (SMA, Pine Tree Helicopters, etc...). Updates to come whenever they are available.

b.) i.) Foundation being poured today. Construction is on schedule.

ii.) Solar is in progress and moving quickly. Pilings for the infield have not arrived yet, but most racking is already on site. Airport Rd. will have partial closures for work around late May/early June.

c.) Fire station non-aeronautical use permit renewed for next 5 years.

d.) SFM receiving $69,000. Some will go to the purchase of a new bush hog and the remainder will go towards the SRE building debt.

e.) SFM is expecting an influx of aircraft during the B19 shutdown for runway reconstruction. Potentially expecting some extra traffic during construction at PSM.

f.) May aerobatic practice canceled. Didn't get a box waiver from the FSDO in time. Still expecting practice on June 20th.

i.) Skydiving will take place at SFM during B19 closure.

6.) a.) FMW is still a work in progress. Rubb has agreed to purchase the land that they have been leasing.

b.) i.) WSSR has been providing great footage of solar construction.

c.) Refer to agenda item 5.) f.).

d.) Sanford on Tap canceled due to COVID-19.

7.) a.) i.) Trying to organize an informational meeting with presentations from SFM businesses, clubs, and other operators/organizations.

8.) - Budget season is winding down. Budget is in good shape thanks to a good winter. CARES money will be very helpful to the budget.
- Inverters for solar will be going in soon using cranes. Watch for lots of NOTAMs during that work. Cranes will be flagged and lit.

9.) Dave Caswell represented Sanford Soaring Club to request relocation of speed limit signs along 7-25. Allison advised that SSC members driving on the airport should set a good example for construction crews and follow the rules carefully.

10.) Next meeting is 7/9/20, hopefully in-person. Meeting adjourned at 8:34.
