RE: PREVENTATIVE PAVEMENT MAINTENANCE – ASPHALT RUBBER CHIP SEAL

The Department of Public Work's contractor, All States Materials Group, will begin an asphalt rubber chip seal treatment on July 11, 2016 on Chancery Lane as part of the Preventative Pavement Maintenance effort as previously described in my letter to you on March 9, 2016.

In order to effectively complete this treatment we ask that you prohibit the use of sprinklers from July 10th – 12th until after the treatment has been completed.

Please contact me with any questions or concerns at (207) 324-9135 x 1.

We appreciate your anticipated cooperation in this matter.

Sincerely,

A handwritten signature in black ink that reads 'Matthew E. Hill, P.E.' with a small flourish above the name.

Matthew E. Hill, P.E.

Director of Public Works
City Engineer
