

Memorandum

To: The Residents and Stakeholders of Sacopee Road
From: Matthew E. Hill, P.E.
Date: May 1st, 2020
Subject: Sanford Capital Improvement Plan Construction in 2020

The City of Sanford, through its 5-Year Capital Improvement Work Plan, is hosting a virtual meeting on Tuesday May 19, 2020 at 11:00 am (login details below). The purpose of the meeting is to discuss the upcoming work on the above street and receive questions, comments, and concerns about the work to be performed.

The scope of the proposed work includes:

1. Tree Clearing
2. Ditch Maintenance
3. Drainage Repairs
4. 8-foot Diameter Stream Crossing Replacement
5. Guardrail Removal
6. Removal of Subgrade Boulders
7. Full Depth Reclaim of Roadway
8. Portland Concrete Base Stabilization
9. 3" of 12.5 mm Hot Mix Asphalt (paved in two lifts)

The existing centerline profile is intended to approximately remain the same although positive drainage grade corrections will be re-established. It should be noted that once this work is complete, **the City will enforce a pavement moratorium prohibiting new excavation** in the roadway to protect these capital investments. Should you require a new or modified underground utility connection, please contact the appropriate utility to arrange this work as soon as possible. This will be your last chance for some time.

There are several ways to access the meeting. In order of interactive preference, they are:

Live Interactive Webcast: <https://us02web.zoom.us/j/2229289150>

Meeting ID: 222 928 9150

The meeting will be recorded and available thereafter on the DPW Web Page.

Live Teleconference (audio only): 1 (929) 205-6099, Meeting PIN 222 928 9150

Write to us using the comment card below and mail to the Department of Public Works. We will accept all comments received before or after the meeting into the record.
